Extraordinary Women: Celebrating the heritage of St Nicholas, Sutton:

This year, to mark the centenary of when women first gained the right to vote, St Nicholas will be hosting an exhibition and series of events in September celebrating the lives of some of the Extraordinary Women who are connected with St Nicholas. The story will stretch from the glorious revolution of the 17th century to the genderquake of the 21st century, from court beauties to the first woman Bishop of London. These events will form part of the National Trust Heritage Open Days and Open House London. If you want to learn more about how you can help, then show your interest by letting John Kerr or Richard West know.
