Staying in touch

Stay in touch about ways that we can care for you and pray for you. I'd be glad to hear from you.

In particular can I make a plea to those who find themselves in pressing need (or who know of others of our number in difficulties)? Please don't feel that you have nowhere to turn. I really want you to contact me or the churchwardens in the first instance. When you do, we will either be able to help you ourselves or point you in the right direction for access to food or emotional support for people who are struggling during the pandemic.

My contact details are: rector.stnicholassutton@gmail.com 020 8642 3499

LIVING IN LOVE AND FAITH is a National Church resource which sets out to inspire people to think more deeply both about what it means to be human and to live in love and faith with one another.
Within the Deanery we will be running two courses for LLF in September and October, which will enable all participants to reflect on the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender, sexuality and marriage continue to change.
LL&F material can be found on the CofE website at https://www.churchofengland.org/resources/living-love-and-faith
