Staying in touch

Stay in touch about ways that we can care for you and pray for you. I'd be glad to hear from you.

In particular can I make a plea to those who find themselves in pressing need (or who know of others of our number in difficulties)? Please don't feel that you have nowhere to turn. I really want you to contact me or the churchwardens in the first instance. When you do, we will either be able to help you ourselves or point you in the right direction for access to food or emotional support for people who are struggling during the pandemic.
