Staying in touch

Stay in touch about ways that we can care for you and pray for you. I'd be glad to hear from you.

In particular can I make a plea to those who find themselves in pressing need (or who know of others of our number in difficulties)? Please don't feel that you have nowhere to turn. I really want you to contact me or the churchwardens in the first instance. When you do, we will either be able to help you ourselves or point you in the right direction for access to food or emotional support for people who are struggling during the pandemic.

Revd Frances

NEWS from Revd Leah Philbrick former Curate at St Nicholas
The following message has been received from Leah:
I wanted to let you know that having had a year in New Hampshire with family which has been a treasured time of reconnecting with family - as well as a time of sabbatical, seeking discernment for the next chapter. I am now looking forward to taking the next step in the exploration of the religious life. In just a few days I will join the community at Mucknell Abbey in Worcestershire as an alongsider for the next six months. In this time of living 'alongside' the community I will be joining in their rhythm of prayer and work and experiencing life in a religious community in all its 'ordinariness'. One of my prayers is that in this time I will have a sense as to whether I continue on this journey into the religious life or if perhaps through this time God might be leading me on to something else. All is in God's hands and that feels a good place to be.
