NOTICES AND WHAT'S ON

Regular Giving

It costs over £1,250 a week to run St Nicholas Church, including heating and lighting, maintenance, administration and caretaking, the music, and of course, providing the clergy to lead our worship - hopefully soon we will have a new Rector.

Fortunately, we are blessed with a congregation that provides support in many ways. Several help the church financially by Regular Giving: if you are one of these, you will be receiving a letter that encourages you to switch your method of giving to Direct Debit (please check your pigeonhole). All are encouraged to make this change as it will ease our administration, particularly when recovering the tax paid by those who Gift Aid their giving.

If you do not currently give regularly (perhaps preferring to make your offering during the service), may we ask you to consider and pray very carefully about changing to regular giving. This is the way in which you can provide regular financial support for the work of this church, but it also enables us to budget more accurately to ensure St Nicholas Church is a Christian heart in Sutton.

For more information, please speak with a member of the Finance Committee: Rita Anderson, Pamela Kerr or Richard West.
