**Alleyway Renewal Project**

The current mural in the alleyway is showing signs of ageing and this project will revitalize this space. Team Imagineers have the funding and permission to renew the Alley Way Mural. They are the artists who created the COVID memorial panels in the Dr George Rice Community Garden. The renewed mural project is set to commence in May, and we want members of the congregation to get involved in this significant initiative to enhance the churchyard environment. To register as an individual or as a group please email Hana at teamimagineers@gmail.com Speak to Jeff Richards to learn more about the project.
