***Dipping the wafer***

*While there is no evidence that sharing the Chalice spreads germs, we understand that some still prefer to dip the wafer into the wine. If you choose to do so (and you are still receiving full Holy Communion if you only receive the wafer), please use the hand sanitiser first, and hold the wafer by the very edge to ensure that your fingers do not go into the wine when you dip.*

**Church of England worship - *Daily Prayer app and podcast***

This is the app to help you follow Morning, Evening and Night Prayer wherever you are. It includes Bible readings (NRSV translation) and psalms.
