Whether you can spare 20 minutes or stay the whole time, every bit helps. What we'll be doing: * Reinstating the planting bed, * Cutting back vegetation, especially along the alleyway, * Keeping the beautiful mural clear and visible, * Planting shrubs * General tidying to make the garden look spick and span. All tools and equipment will be provided. You may prefer to bring your own gardening gloves, and please wear sensible shoes or boots suitable for outdoor work. This is a great opportunity to spend time outdoors, meet others, and make a visible difference to a shared community space.
