Volunteers Needed

Meet and Greet Team

Due to changes during Covid-19, we need additional volunteers to help welcome and give food to our guests at Sutton Foodbank.

We are looking for people who are empathetic, good at listening, keen to help people and able to communicate well. You will also be comfortable offering to pray with guests.

Day: Monday, Tuesday, Wednesday or Friday
Time: 11.45am - 2.15pm

If you are reliable and able to commit to a minimum of one session per month, we'd love you to get in touch.
